

## **Makeup Service Preparation Guide**

*Please review the below guidelines for optimal makeup service provided by Crystal Ngozi Beauty.*

1. Arrive to appointment with a clean, moisturized skin (avoid using SPF)
2. Avoid using SPF and retinols at least 24-48 hours to appointment
3. Arrive to appointment with clean, groomed brows (waxed, tweezed, or threaded)
4. Make sure that all facial waxing is done at least 4-7 days prior to makeup appointment
5. Exfoliate lips the night prior to your appointment (**DIY Tip:** combine raw sugar with coconut or olive oil to gently exfoliate your lips; apply lip balm immediately after)
6. Apply lip balm the night prior and the day of appointment
